October Defender Spotlight

Congratulations to our October Defender Spotlight nominees! These students were selected by their teachers for exhibiting kindness, determination, and remaining true to our values to BE good defenders. We're so proud of them! Join Our Team

MAP ASSESSMENTS Included in this week's packet are your child's most recent MAP (Measures of Academic Progress) scores. We began utilizing this assessment tool in the Fall of 2019 and assess our students three times each school year. The results serve as a snapshot of your child's current skill levels in the areas of Reading, Math, and Language Use. We utilize these results to establish student goals, guide future instruction, and determine intervention needs. As a reminder, these are just a glimpse of what your child is capable of. Due to our current circumstances, we will not be implementing RtI for students in grades 4-8 at this time. If you have any questions, please contact your child's teacher or Mrs. Blumenshine. Thank you!

**PLEASE DO NOT
SEND YOUR CHILD
TO SCHOOL IF
THEY HAVE EVEN
ONE SYMPTOM OF
COVID-19**

Visit the GDC's website to view a list of symptoms. Call the school to report symptomatic students. Contact Emily Blumenshine at 815-672-3847 for questions or guidance.
